Minutes of previous meeting

The minutes of the previous meeting were agreed.

Events

The Nav Scatter held on the 2<sup>nd</sup> of March 2010 only had 3 entries, RC then suggested only running one larger Nav Scat each year. This event could replace the nav scat championship, having one event and one trophy.

St. Athan arranged for the 14<sup>th</sup> March will comply with the owner's wishes and only run from 12pm till 4pm. If no complaints arise from neighbouring houses then more dates can be arranged for 2010. LS to email Anne Reynish asking to change the date for the event from Saturday 27<sup>th</sup> March to Sunday 28<sup>th</sup> March.

LS has received confirmation for the Margam Park event on the 3<sup>rd</sup> October. The event price will be £200 no negotiations and a risk assessment is to be filled out and forwarded before the event. RC commented that the event should run as it is always popular and helps advertise the motor club.

Argoed Quarry arranged for 8<sup>th</sup> May will run as normal. The event will be run as the last event was, closing the outside gate to stop cars driving in and out. The course will have to be more carefully set out following the proceedings of the 28<sup>th</sup> February.

LS proposed going into the quarry before the next event to clear bushes so that more of back end of the quarry can be used.

## Finances

LS - Anne Reynish requires another £200 for the next set of events.

## A.O.B.

GB requests that entrants for each event fill out the signing on sheet with full names to avoid confusion.

E.g. M James > Matthew James

GB – No response for AGM venue. RC will ask The White Horse. 10<sup>th</sup> April has been decided as a provisional date for the AGM.

LS has had all but one trophy back from last year. Some championships still need to be decided. LS will now go ahead with engraving the trophies.

Classic car show 9<sup>th</sup> May 2010 – RC - Possibly have a stand, if all cars arrive together they can be put together in the show. Hand out BAC flyers and key rings at the show, GB to investigate.

Meeting ended 9:10pm.

Date of Next Meeting: Tuesday 13<sup>th</sup> April 2010
