

What is a ...

TWELVE CAR:

Held on the public highway. A test of navigational and driving skills to sort out a route with timed checkpoints along the way. Held on winter evenings lasting about 3 hrs and limited to 12 cars

AUTOTEST:

A test of driving skill held on a sealed surface such as a car park. The competition consists of driving through and around cones, garages and slaloms timed to the second. Held on summer evenings or Sunday afternoons.

GRASS AUTOTEST:

As above but held on a grass surface, so slower and slipperier.

PRODUCTION CAR TRIAL (PCT):

A competition of driving skill involving trying to drive a car up a sloping twisting course to reach the top. The further up you can take the car the fewer penalties you attract.

ROAD RALLY:

Held on the public highway (regulated by the RAC and with routes approved by the appropriate agencies). A rally of approx. fifty cars competing on all classes of roads starting on a Saturday night and finishing around dawn on Sunday.

STAGE RALLY:

Held on private property such as Forestry Commission land or disused airfields. There are many types of event but you will need a specially prepared car to take part.

SPRINT:

A speed trial against the clock on racetracks and disused airfields. Classes for anything from standard "shopping" cars to full blown racing cars.

HILLCLIMB:

Basically a sprint that goes uphill! Uses the same classes of car as sprints.

**We meet on Tuesday nights at
the Barley Mow,
Graig Penllyn**

Why not pop in and join us?

To assist the Club in giving members what they want, please indicate your present interest in the boxes below:

1=General 2=Competitor 3=Marshal 4=Organising

Rallies	Autotest	Trials	Karting	Sprint/ Speed	Other Specify

Please indicate your level of interest in the boxes below

1=Never 2=Possibly 3=Probably 4=Definitely

Rallies	Autotest	Social	Karting	Marshal	Other Specify

Bridgend Automobile Club was formed in 1959 and met for many years in the Sycamore pub in Colwinston. Over the years the Club has organised many forms of Motorsport events but it is now concentrating on organising "Grass roots" events for its members to use their road cars on. The Club has members who compete in every form of Motorsport and every level from closed to Club events - open only to BAC members- right up to international rallies in Europe.

The Club meets at the Barley Mow in Graig Penllyn, and every Tuesday after about 9pm you will find a lively crowd enjoying the hospitality there.

At least once a month the Club tries to organise a low cost competitive event such as an Autotest, Nav Scatter or PCT. These are aimed at members who only have or want to use a road car. For the more experienced competitor BAC offers access to all forms the forms of Motorsport that the RAC affiliated Clubs throughout the UK organise.

The Club magazine keeps members informed of coming events both within the Club and throughout the UK, and any other interesting gossip that may occur.

The Club organises various Championships including; The Clubman's Championship to reward members in every aspect of the Club and even writing a letter or article for the Club magazine will gain you points in this prestigious championship. The Junior Championship is run on the same lines as the Clubmans, and junior members earn points in both the Clubmans and their own championship. The Drivers & Co-Drivers Championship allow members to accrue points from competing in Club or outside events, and the Chairman's Championship for BAC specific Motorsport events. Trophies are awarded annually.

The Club is affiliated to the MSA and WAMC.
